

Cable Management Bar

Eland Product Group **A8D**

Application

This 1U Metal Cable Management Bar will fit into standard 19" data cabinets. It has 5 rings, which are removable to enable the configuration to be changed (eg. 3 rings or 2 rings at either end).

Although suitable for both domestic and commercial properties, few homes will have the quantity of ports installed to require extra cable management. These bars will mainly be used in commercial installations.
